Eight to Three
SCHOOLS
at
P.H.S.

It isn't where you're from,

it's where you're going
that counts.

There is only one proof of

ability -- action.

"You know, I just say what I think."

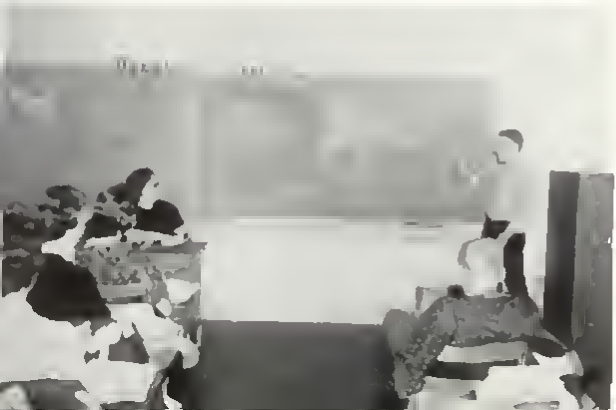

Hard work is the best investment a

student can make.

What did you make

today?

Patience + Brains =

Mathematicians

It takes "payola" to reach

your goal.

With faces like these,

how can we fail?

Who can ask for anything more?

I came here for a purpose, I'm sure.

Whatever would we do

without them?

Eat all you can--it's

a mistake not to!

Muscles is their major.

It may be little, but it's

loud.

The sky is the limit for achievement.

Physics is labour and handicraft

of mine.

Our patience will

achieve more than our force.

We have every right to

succeed.

From whence our guidance comes.

Reading is the seed of learning.

3 P.M.--Hurrah!!

Jr.-Sr. Banquet

The day ends.

Too much hash! Ugh!

We ate it.

After Three

We slung the hash.
